

## **RESULTS of the BARRY FERGUSON CLASSIC 2015**

There were no radar penalties and I congratulate all crews on their behavior on the road.

As all penalties for navigational issues were the same value, the results have been shown as the number of penalties without multiplying by 25.

The Results for the Masters and Apprentices are on following sheets of this spreadsheet document.

The Results for the event are shown on the sheet marked 'Results'

The detailed results for each Division are separated for Masters and Apprentices on subsequent sheets. These sheets identify the places where penalties were accrued.

The reference to points referred to in the details are identified on the sheet marked 'Reference Boards'

### **Special Notes.**

The results have been calculated on the course as set except for the matters listed below.

#### **Sect 5 Divn B**

We had not stated a finish time for the days assembly and consequently closure of the Passage Control at Hanwood was incorrect.

No penalties were attributed to the later cars in Division B for the points B30 and 31.

#### **Sect 7 Divn C Old and New Alignments of Burley Griffin Way. Kamarah to Ardlethan**

Due to the visibility of the false Board from the Correct Board at this location and the fact that there was no advice that VRCs will be on the left hand side of the road, the penalty for recording the false Board has been deleted when the correct board has also been recorded.

#### **Sect 7. Divn C Travel in Yarrangerry SF.**

The advice given of the distance that the Director had travelled was incorrect and while only 'Advice' and not an instruction, misled competitors .

The VRC near the entry point has accordingly been deleted.

**Car 9** was not penalised for failing to get boards on the loop at Ganmain as that crew were instrumental in returning another competitor to the roadway.
